14:30 Version 5 Seminar  
16:00 Discussion  
16:30 Close, followed by  
freshments & networking

**VERSION 5** completes CEEQUAL's progression from environmental assessment and awards to a sustainability assessment and awards scheme, and builds on our eight years of experience in operating and developing the tool. An optional Project Strategy section has been added to the CEEQUAL Assessment. Version 5 will challenge project teams on whether a project is contributing, or will contribute, to

**moving society on a pathway towards more-sustainable living**

In addition, the CEEQUAL Manuals have been reviewed, revised and updated to reflect current industry best practice. We are continuing to improve ease of use of the CEEQUAL Methodology whilst maintaining the rigour of each assessment, and are making CEEQUAL more readily useable on marine and offshore projects.

### Registration:

You will find the registration form on the back of this flyer, or alternatively via our website at [www.ceequal.com](http://www.ceequal.com). Please send your completed registration form to the CEEQUAL Office by 28 September 2012.
